

March 5, 2012 marks the second annual  
**MINNESOTA BIKE SUMMIT ON CAPITOL HILL**

**WE NEED BICYCLE ADVOCATES FROM THROUGHOUT THE STATE** to help Minnesota set the pace for the rest of the nation. Your presence is necessary to educate our legislative leaders about our 2012 Legislative Agenda, including a vulnerable user bill, making the Mississippi River Trail our first (but not last) state bikeway, state funding for Safe Routes to School, and more.
